**Variety**  
GRILLO DOC SICILIA

**Zone di produzione / Vineyard Area**

Valle del Belice, 200 m.s.l.m. Nord-Est

**Potatura / Pruning System**

Guyot

**Densità / Density of plants**

4500 / hectare

**Resa per ettaro / Yield x hectare**

11000 Kg

**Terreno / Soil**

Relatively deep alluvial based soils of medium texture.

**Vinificazione / Winemaking**

Grillo sicilian indigenous variety receive 12 hours cold skin contact prior to pressing to extract the maximum flavor potential from the skins. Fermentation is conducted at 10-12°C for 13 -15 days to preserve natural bouquet and enhance the typical variety flavors.

**Tasting notes**

Vento di Mare Grillo is produced from organic grapes grown in picturesque vineyards located on the sunny island of Sicily. This refreshing wine delights with aromas of melon and pineapple and offers a well balanced savory finish.

**Packaging Information:**

**Bt per case: 12**

**Layer : 5**

**Box on layer : 14**

**Box per pallet: 70**

**Dim. cassa/ Dim case: 331x251x310**

**Peso lordo / Gross weight: 14,50 kg**

**Peso pallet / Pallet weight: 1035 kg**

**Pallet: 170x 120 x 100 FUMIGAT**

**EAN Bottle: 8033765258517**

**EAN 14 Box: 80337652585170**
