### Variety

PINOT NOIR

Terre Siciliane IGP

### Zone di produzione / Vineyard Area

Gibellina 150 m slm

### Potatura / Pruning System

Guyot - spurred cordon

### Densità / Density of plants

3900 - 4300 / hectare

### Resa per ettaro / Yield x hectare

12500 Kg

### Terreno / Soil

Shallow soils of medium texture calcareous clay with a good content of organic matter and iron.

### Vinificazione / Winemaking

The grapes are destemmed and very gently pressed to avoid any damage to the skins. The must is fermented at a controlled temperature of between 24-26°C, with frequent remontages and delestages. Malolactic fermentation is carried out in stainless steel tanks, where the wine is aged for at least 3/4 months.

### Tasting notes

Vento di Mare Pinot Noir is produced from organic grapes grown in picturesque vineyards located on the sunny island of Sicily. The delicate fragrance of the Pinot Nero takes in this island unusual strong and deep hints that give us an intriguing and complex sensation at the palate.

### Packaging Information:

**Bt per case:** 12

**Layer :** 5

**Box per layer :** 14

**Box per pallet:** 70

**Dim. cassa/ Dim case:** 331x251x310

**Peso lordo / Gross weight:** 14,50 kg

**Peso pallet / Pallet weight:** 1035 kg

**Pallet:** 170x 120 x 100 FUMIGATE

**EAN Bottle:** 8033765259224

**EAN 14 Box:** 80337652592246
